SCHOOL AND MASS EDUCATION DEPARTMENT**

NOTIFICATION

No. 11940 /SME/ Dated. 18-5-13
VI-SME-(B)-79/2012

Sub: Re-Organisation of S&ME Department

The issue of Re-organisation of S &ME Department from State level to Block Level was identified as the immediate need of the Department to improve the efficiency and effectiveness of educational administration. The matter was passed by the Cabinet on 24.05.2006.

The Cabinet approved the re-organisation of S&ME Department with the condition that the posts in existing grades can be shifted and re-positioned as per the re-organisation plan and creation/up-gradation of any post will be subject to detailed examination by the Department and formal concurrence of Finance Department and Administrative Reforms Department.

On the basis of above approval, Govt. had constituted an Implementation Committee for the purpose. The Implementation Committee, taking into consideration of hierarchy and pyramid structure and to maintain quality administration and single line command, proposed for one District Education Officer in each district supported by two Addl. District Education Officer, one each for Elementary and Secondary (@1 in 6 districts where the nos. of blocks are less than 7 & 2 in other districts) along with detailed up gradation / creation and repositioning of staffs from field level to block level.

The report of the Implementation Committee was endorsed to the Finance Department and Finance Department had returned the file with certain observations.

Consequent upon implementation of flagship programmes like RTE-SSA, RMSA, Sakshar Bharat and MDM, the workload of S&ME Department has increased considerably. Presently at District level, there are separate offices for Elementary, Secondary and Mass Education who have no co-relation though some of above schemes are co-related with each other. Further at

Block level, the entire elementary education is dependent on the BDO without any supporting staff who is already over burdened. As a result, the supervision as well as administration at grass root level is jeopardised.

In view of this, re-organisation of the Department from Block level to District level is required for Educational Administration System on single line command approach.
